

Rocky Mountain Smiths Demonstration April 22, 2017

James Makely demonstrating “Having Fun with the Power Hammer”

James will demonstrate forging on the Sayha 50 kg hammer. The demonstration will include architectural elements, a garden auger, and one of the shovels made during the Ypres 2016 International Blacksmithing Event.

Discussion includes repairing and maintaining of the hammer.

Time: 9:00 AM to 4:00 PM, Saturday, April 22, 2017.

Location: Living Design Studios, Inc. 1005 S. 120th Street, Suite 102 Lafayette, CO 80026

Cost: \$ 15.00 RMS members; \$ 20.00 nonmembers

EVERYONE MUST HAVE SAFETY GLASSES & HEARING PROTECTION

Directions:

Going north on 120th St from S. Boulder Rd, make second left turn, where timber-frame sign along street says "Rocky Mountain Joinery Center". LDS shop is in rear of large blue building.

Going south from Baseline Rd, 119th St. Dog-legs and becomes 120th St, Turn where timber-frame sign along street says "Rocky Mountain Joinery Center"; if you meet S. Boulder Rd, you have just passed the shop.

Drive along south side of blue building to the back. Parking along west and south sides of the building.
