

Spontaneous Scrap Sculpture

Sunday, September 23, 2017 10:00 AM until 4:00 PM
Bliss Studio and Gallery Monument, Colorado

Participants will have access to scrap material, and are welcome to bring their own.

We will begin with a conversation about creating artwork from scrap materials, identifying and ascribing meaning to found objects, and putting those objects together into a meaningful or fun piece of art.

Participants will then be set free to create a piece of sculpture using available tools.
