

March 24, 2018 RMS

David Osmundsen, Arrowhead Forge School of Blacksmithing, has been forging wrought ironwork and tools since the 1970's. He will be demonstrating how to forge a grub (peasants) hoe. Punching, drifting and spreading methods will be demonstrated in forging the hoe.

Lunch will be provided (@ no cost) if you would enjoy smoked meats, beans and all the trimmings.

Please RSVP so we know how much food to cook.
