

Blacksmith Helper Demo

Saturday, April 21, 2018

@ Great Owl Forge - Stuart Shirley's Shop in Broomfield, CO

Arrive: 8:30 am

Demo: 9:00 am until we are done. (3:00pm+-)

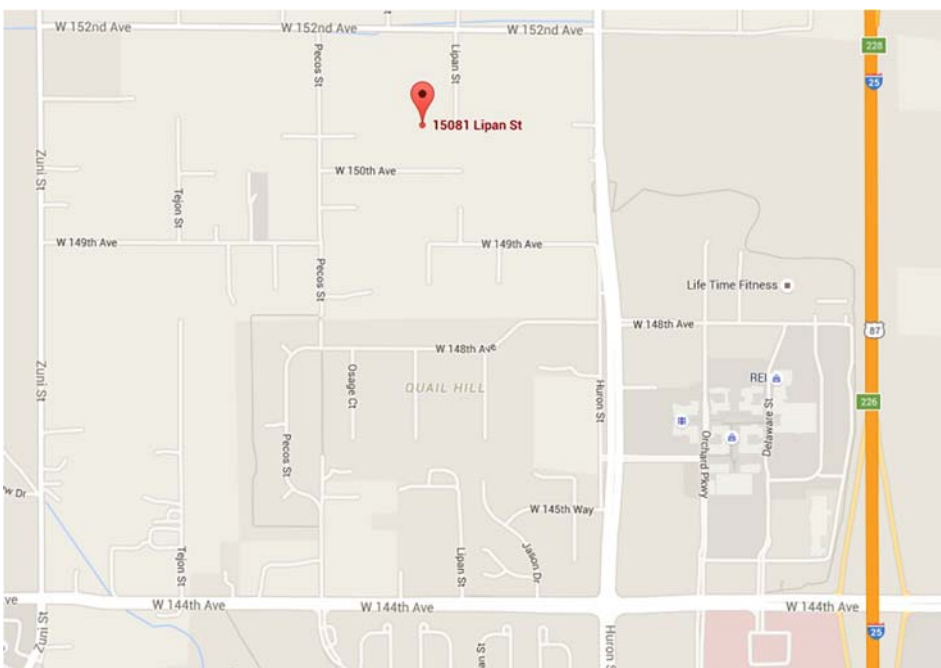

I will demonstrate techniques learned while interning at the Center for Metal Arts, in order to build a blacksmith helper or a dead man. This will show forging of each part and assembly, if there is additional time I will share other techniques learned while at CMA, and discuss my experience working at a sheet production mill.

Bring:

- A sack lunch or there are multiple places nearby to eat.
- **EVERYONE MUST HAVE SAFETY GLASSES & HEARING PROTECTION**
