

Hands on Induction Forging
September 19, 2026
Evan Blackstock / Stuart Shirley

Demonstration:

This is a hands-on group workshop that provides the opportunity to try out an induction forge!

We will have 3 induction forges available to try out this heating technology, bring your projects and try out this fast and unique heat source!

We will have limited test materials on hand to try out this forging process.

Cost: RMS Members \$15.00 Non-Members \$20.00

Date: September 19, 2026

Time: Arrive 8:30 am, Workshop 9:00 am to 4:00 pm

Location:

15081 Lipan St,
Broomfield CO 80023

Lunch: Bring your own or visit one of the many local restaurants.

Safety:

All in attendance are required to wear eye protection and hearing protection as we will run the power hammer and hydraulic press.

Directions:

Drive South down Lipan to the dead end, turn right/west into the gravel drive and follow the drive around the house to the barn.
