

Leg Vise Repair Workshop

July 25, 2026

James Makely

Workshop:

There will be a short demonstration on forging the spring of a leg vise and how to finish the spring. Bring your leg vise so we can make replacement parts or fix and adjust back to working condition.

Cost: \$15.00 for members \$20.00 for nonmembers.

When: July 25, 2026 **Arrive:** 8:30 am, Workshop 9:00 am to 4:00 pm

Where: Groundworks Art Lab - Main, 3750 Canfield St, Boulder, CO 80301

Parking: The parking lot at Groundworks typically fills up quickly. Overflow parking is located at Growing minds and meals on wheels parking lots. If approaching from the south on independence road these parking lots are on the east and west of Canfield Street when you turn into the neighborhood. See the red circles in the attached map.

Safety: **All in attendance are required to wear eye protection,** hearing protection recommended as we will run the power hammer.

Lunch: Bring your own, or go to a restaurant in Boulder
