

Forging a candelabra - demonstration

with John Switzer - October 12, 2024

We will take a look at the process of forging this candelabra using primarily hand tools and discuss some options for similar designs using heavier power tools.

6100 Roosevelt Ave
Beulah CO, 81023

Check in starts at 8:30 Demos starts at 9:00
Runs until 3:00 or 4:00 with a 1-hour lunch break

There are a couple of lunch options in Beulah (sometimes closed unexpectedly) or bring a sack lunch.
