

# Bench Workshop by James Makley and Stuart Shirley

January 24, 2026

## Workshop:

This is a hands-on group workshop to continue forging components of the park bench started at the 2024 RMS conference. All experience levels welcomed and encouraged to join, get a chance to swing a sledgehammer, learn to shoulder a tenon, or bend components to match a drawing.

**Cost:** \$15.00 for members \$20.00 for nonmembers.

**Date:** January 24, 2026

**Time:** Arrive 8:30 am, Workshop 9:00 am to 4:00 pm

## Location:

15081 Lipan St,  
Broomfield CO 80023

## Lunch:

Lunch either bring your own or visit one of the many local restaurants.

## Safety:

All in attendance are required to wear eye protection, hearing protection recommended as we will run the power hammer and hydraulic press.

## Directions:

Drive South down to Lipan to the dead end, turn right/west into the gravel drive and follow the drive around the house to the barn.
